I've heard about all the hoopla re MAHP. Was surprised that I didn't hear from the three of you after I sent my email to the Council on April 17 (included below). I understand the sensitivity of what you are up against. Would like nonetheless to know where you are on this issue. Thanks Paula

Dear Councilors:

I am a longtime resident of Cambridge, a member of Jewish Voice for Peace and Massachusetts and an American Jew who supports the existence of a fair and equitable Israel. I am asking my City to do the same by ending all contracts with Hewlett-Packard until this company ceases providing products that aid in the suppression of Palestinian rights and the detention and deportation of US immigrants. I am proud to live in a city with a history of speaking out against human rights violations and proud to be part of an ethnic/religious group that does the same. I look forward to attending the City Council meeting on April 23 so that we may continue this important work together.
